The Council was chartered on November 10, 2009, to advise the Secretary of Commerce on matters related to innovation and entrepreneurship in the United States. NACIE's overarching focus is recommending transformational policies to the Secretary that will help U.S. communities, businesses, and the workforce become more globally competitive. The Council operates as an independent entity within the Office of Innovation and Entrepreneurship (OIE), which is housed within the U.S. Commerce Department's Economic Development Administration. NACIE members are a diverse and dynamic group of successful entrepreneurs, innovators, and investors, as well as leaders from nonprofit organizations and academia.

The purpose of this final meeting of the second term of NACIE is to finalize its initiatives in three focus areas—workforce/talent, entrepreneurship, and innovation. The final agenda will be posted on the NACIE website at <http://www.eda.gov/oie/nacie/> prior to the meeting.
